After receipt of such certificate and the certified copy of the proposed ordinance or resolution, the person exercising the duties of the city clerk shall present such certificate and certified copy of the proposed ordinance or resolution to the Commission at its next regular meeting. If any election is to be held at a date not more than ninety (90) days nor less than ten (10) days after such meeting of the Commission, then such ordinance or resolution, proposed for adoption or repeal shall be submitted by the Commission to a vote of the electors at such election to be held, but if no such election is to be held within such time, then the Commission shall provide for submitting such proposed ordinance or resolution, for adoption or rejection, to the electors at a special election to be held not less than twenty (20) nor more than forty (40) days thereafter.

The form of ballot for use in an election held for the adoption of any initiated ordinance shall state the title of the ordinance and contain a succinct statement of its nature and purpose and below such statement, on separate lines, there shall be printed the words: FOR THE ORDINANCE—AGAINST THE ORDINANCE. If a majority of the electors voting in such election shall vote in favor thereof, it shall thereupon become an ordinance of the city.

The form of ballot for use in an

election held for the repeal of any referred ordinance or resolution shall state the title of the ordinance or resolution and contain a succinct statement of the nature and purpose of the ordinance or resolution sought to be repealed, and below such statement, in separate lines, there shall be printed the words: FOR THE REPEAL OF THE ORDINANCE (OR RESOLUTION), AGAINST THE REPEAL OF THE ORDINANCE (OR RESOLUTION). Providing however that nothing contained in this section shall effect the manner of calling elections to determine whether or not franchises shall be granted.

Section 24.—Recall: Any elective officer of the city shall be subject to recall and removal from office by the qualified electors of the city, and the procedure to effect such removal shall be as follows:

A petition demanding that the question of removing such officer or officers be submitted to the electors, shall be filed with the person discharging the duties of city clerk. Such petition for the recall of any such elective officer or officers shall be signed by at least thirty (30) per cent of the qualified voters, to be determined by the number of votes cast in the last regular municipal election; at least one-fifth (1-5) of whom shall certify that at the election at which the officer or officers was or were elected, they voted for the election of such officer or officers proposed to be recalled.

Petitions for signatures for such recall shall be procured only from the person exercising the duties of city clerk, who shall keep a sufficient number of such blank petitions on file for distribution, and prior to the issuance of such petitions for signatures there shall be filed with such person an affidavit by one or more qualified electors, stating the name or

names of the officer or officers sought to be removed. Such officer issuing such petitions for removal to an elector shall enter in a record to be kept, the name of the elector to whom issued, the date of such issuance and the number of such petitions issued, and shall certify on such petitions for signatures, the name of the elector to whom issued and the date of its issuance. No petition for signatures shall be accepted and taken into consideration in determining the necessary percentage of voters for removal unless it bears such certificate and be filed as herein provided.

Each signer of a recall petition shall sign his name thereto in ink or indelible pencil, and shall write thereon, after his name, his place of residence by street and number. To each of said petitions there shall be attached an affidavit, of the circulator thereof, stating the number of signers to such part of the petition and that each signature to the same is genuine, was made in his presence and is that of the person whose name it purports to be.

All papers comprising a recall petition, shall be returned and filed with the person exercising the duties of city clerk, within thirty (30) days after the filing of the affidavit herein before provided for. The person exercising the duties of city clerk, upon the return of such petition, shall at once submit the same to the governing authority of the city, and shall notify the officer or officers sought to be recalled of such action. If the official whose removal is sought does not resign within five (5) days after such notice is given, the governing authority of the city shall thereupon order and fix a day for holding a recall election, the date of which election shall not be less than fifteen (15) nor more than thirty (30) days from the time such petition was presented to the governing authority of the city.

The ballot at such recall election shall conform to the following requirements, with respect to each per-

son whose removal is sought; the question shall be submitted: "Shall (name of person) be removed from the office of (naming the office) by recall?" Immediately following each of such questions there shall be printed on the ballots, in separate lines, in the order here set out the words: For the recall of (naming the person). Against the recall of (naming the person). Should a majority of the votes cast at such recall election be for the recall of the officer named on the ballot, he shall, regardless of any technical defects in the recall petition, be deemed removed from office, but should a majority of the votes cast at such recall election be against the recall of the officer named on the ballot, such officer shall continue in office for the remainder of his term, subject to recall as before.

No recall petition shall be filed against any officer of the city within six (6) months after his election, nor within six (6) months after an election for such officer's recall.

In case the governing authority of the city shall fail or refuse to receive the recall petition, order such recall election, or discharge any other duties with reference to such recall, then the County Judge of Potter County, Texas, shall discharge any of such duties herein provided to be discharged by the governing authority of said city.

If, in such recall election, there shall, as a result of such election, remain one or more of such elective officers who is not recalled, then such officer or officers not recalled shall discharge all of the duties incumbent upon the governing authority of said city until the vacancy or vacancies created at such recall elections are filled by an election for that purpose, as hereinafter provided for, but if in any proposed recall election it is proposed and submitted to recall all elective officers then there shall be placed on said ballot under the question of recall, the names of candidates to fill the vacancies proposed to be created by

such election, but the names of such officers proposed to be recalled shall not appear on the ballot as candidates.

If at any recall election it is not proposed and submitted to recall all of the elective officers, but only one or more, fewer than all, and such election shall result in favor of the recall of one or more of such officers, proposed to be recalled, then it shall be the duty of such officer or officers not recalled and constituting the governing authority of the city, within five (5) days after such election is held, to meet, canvass the returns, declare the result of the election and on the same day order an election to fill such vacancy or vacancies; which election shall be held not less than ten (10) nor more than twenty (20) days after the same shall have been ordered.

AMARILLO, THE CITY AND ITS CHARTER.

Amarillo, the first city in the Southwest to declare for the city manager plan, is the thriving railway and jobbing center of the Panhandle of Texas. The census of 1910 gave her a few hundred less than 10,000 population, not counting a considerable population in territory which has been added to the corporate limits under the new charter.

Three trunk lines of railway, the Fort Worth & Denver City, the Rock Island, and the Santa Fe, maintain division headquarters in Amarillo, and these radiating lines give the town wholesaling supremacy over a wide area of territory which includes part of several neighboring states. In Amarillo, the Santa Fe Railway Company maintains extensive general offices which control a number of divisions and feeder lines through several states.

Until the adoption of the present charter, Amarillo had conducted her corporate business under the old elective system, with a mayor, five aldermen at large, and with the heads of other departments elected by popular vote. Under this system the rights of the city corporation were extremely limited and branches of public service, such as the proper care of streets and the proper administering of sanitary ordinances, were seriously handicapped. This, together with lack of means for possible public improvements and a desire for a more efficient system of business, led to a demand for a new charter. On two former occasions, special charters drawn for the city failed of their purpose and were defeated because of factional disagreements both in the making of the instruments and in the campaigning for their adoption.

A CHARTER BY THE PEOPLE.

To avoid factional disagreements as far as possible and to secure as careful a representation as possible in the drawing of the present charter, a special committee of five men from the Chamber of Commerce, five men from the Retail Business Men's Association and five men not affiliated with either of the two organizations, nominated a commission of fifteen men to draw the proposed charter. None of the men named by this joint committee were seekers for the office, but each accepted the nomination and the men thus named were chosen by a heavy majority in the election which followed.

Amarillo is not different from other municipalities in sharp divisions over many questions and the men on the charter commission represented divergent views on several active questions of public policy. But throughout the work of drawing the charter, the entire commission worked with a unanimity of spirit which greatly increased the efficiency of their labor and which guaranteed the ratification and endorsement at the hands of the voters when the charter was submitted for adoption.

CENTERS ON BUSINESS PROBLEMS.

One significant feature of the charter which had much to do with its successful acceptance is the avoidance in the charter of expression on sumptuary legislation, police administration, and similar questions. Throughout its provisions, the charter regards the city in the light of a business corporation. Legislative and judicial questions are left to delegated authorities which are already outside the powers of the municipal corporation.

CHARTER IS CONCISE.

In point of brevity, the charter sets a new mark. Although it covers every interest in which the corporation may effectually concern itself, the charter is less than half the size of some recent charters which have been pointed out as models of conciseness.

The keynote of the charter is centralized responsibility subject always to the final mandates of the people. Although the city manager is allowed a free hand in administering all the city's business, the provisions for a budget system, for a continuous audit, and for comparative financial reports by competent auditors, insure to the citizens an accurate understanding of the administration of municipal affairs. In the recall which may be applied to ordinances and franchises as well as men, and in the initiative, the voters have the means always at hand of carrying out their wishes.
